

SEPTEMBER  
20  
THURSDAY  
6-9 p.m.

## Essay Coaching

**11th and 12th graders**

Whether writing an essay for a scholarship, a personal statement for college admission, or a paragraph for the Common Application, having a stellar piece of writing can put you ahead of the competition. You'll learn about why the essay is important, what reviewers look for, and get feedback on one of your own essays.

*RESA campus, TEC Building*

OCTOBER  
25  
THURSDAY  
6:30-8:30 p.m.

## Professional Trades Careers

**High school students and parents**

Professional Trades are vital and demanding occupations that range from construction to home care. Learn how to match your passion with a profession, how to use your strengths, and what you need to be successful.

*RESA campus, Admin Building*

NOVEMBER  
15  
THURSDAY  
6:30-8:30 p.m.

## Engineering Careers

**High school students and parents**

Engineering offers careers that value your ability to approach an existing problem or a new and challenging concept, think through a process, and see the end product. Learn what kinds of career opportunities exist in the engineering field.

*RESA campus, Admin Building*

DECEMBER  
13  
THURSDAY  
6:30-8:30 p.m.

## Information Technology

**High School students and parents**

If you like computers, learn what it takes to get educated, hired, and move ahead in the high-demand careers of Information Technology. IT careers span from computer analysts to web designers to network administrators and even cyber-security specialists. All offer promising career paths, especially in our area now and in the future.

*RESA campus, TEC Building*

JANUARY  
17  
THURSDAY  
6:30-8:30 p.m.

## Health Careers

**High school students and parents**

Many students want to work in the medical field, but aren't entirely sure how to get there. Experts will conduct a panel discussion covering different careers in the medical field. They also will talk about the many different pathways a person can take to pursue such fields as engineering, administration and medical school.
