SCHOOL OF CHOICE APPLICATION PROCESS

Grades K-12

1. Complete a School of Choice Packet, which includes the Affirmation of Prior Discipline Record, and Request for Student Discipline Records for each student in your household. *Print, sign and submit to the St. Clair County Regional Service Agency in person, by fax (810) 364-7474, or by email to Murphy.kris@sccresa.org starting July 8th and no later than **July 22, 2019**.
2. Upon receipt of completed School of Choice packet the forms will be faxed to the school(s) the student attended during prior years.
3. The Superintendent or their designee of the desired choice district will review the student's discipline records, if any, upon receipt from the prior school. Based on that review your request will either be approved or denied. **This could take some time, as there is often a delay in receiving discipline records. Applications will not be considered until discipline records are received and reviewed.**
4. The St. Clair County RESA choice district reserves the right to reject a school of choice application for a student who resides outside of the RESA's jurisdictional boundaries if that student receives special services. The law requires that an agreement (105c) must be reached between the student's resident district and the choice district, related to the allocation of added costs.
5. You will be notified when your application is approved or denied. Please understand a denial could be for any of the following reasons: recent prior (past) discipline, lack of openings/space in the choice school district, or in the event that it is determined that false or fraudulent information is submitted on the School of Choice packet/documents. Denial may also occur if a 105c agreement has not been reached.
6. You will be notified by letter if the application is approved.
7. You may only enroll your student after the School of Choice application has been approved.
