WE LISTEN. WE ACT. WE CARE

As parents of the advisory committee, we stay informed of our county plan changes and current trends in special education within our county and state. We connect and support each other, encourage empowerment, and provide opportunities to educate through sharing innovative and creative ideas. We serve as a resource and assist parents in understanding special education rules and regulations, the IEP process and procedural safeguards.

WHAT IS PAC?

We are parents of students with disabilities who come together for the purpose of representing our individual school districts. These include:

- Algonac Community School District
- Capac Community Schools
- East China School District
- Marysville Public Schools
- Memphis Community Schools
- Port Huron Area School District
- Yale Public Schools
- Landmark Academy
- East Shore Leadership Academy
