ABOUT THE PROGRAMS:

On school days, programs start at 4 or 4:30 p.m. Day programs may also be offered when school is not in session. Programs typically last 1½–2 hours. Programs focus on outdoor activities, so be sure to dress for the weather. Scout groups should arrive 10 minutes before the start time to ensure that all requirements for the badge are covered in a timely manner. A minimum of 8 Scouts and a maximum of 25 are required for programs to run.

Registration is secured when payment is received. Payment is due at least 2 weeks prior to program.

Cancellations must be made at least 2 weeks before the program. If cancellation is not received within the allotted time and/or Scouts do not participate, the Scout leader is responsible for the registration fee.
