The Academy of Style is a training facility. High school seniors provide all services under the supervision of a certified cosmetology instructor. Students are approved to work on the salon floor after logging 350 hours in the classroom.

Host a celebration like no other at the Academy of Style. Your little girl's special day will be one she will always remember with this party package, which includes hair and nail art for each party guest. For children 12 and under with a minimum of four children.
